XAS or Blizz-ABS? Which is better?

Blizzard and computerwizoo7 have engaged into a thrilling debate about which ABS is better. Of course each ABS has its pros and contras. While computerwizoo7 is not trying to make valid points, Blizzard is defending Blizz-ABS features very organized. Of course Blizzard has an advantage as he is the creator of Blizz-ABS. Mainly Blizzard is trying to adapt good features from XAS thus making Blizz-ABS superior.
